For Immediate Release

Crest Healthcare Supply Announces Expanded Ascom Relationship

DASSEL, Minn., April 24, 2017. Crest Healthcare Supply is pleased to announce an expansion of its relationship with Ascom, a global healthcare Information and Communication Technology (ICT) provider and its market-leading Ascom Telligence Nurse Call System.

The Ascom Telligence Nurse Call system is now supported by the Elite Digital™ pillow speaker from Crest. The Elite Digital pillow speaker is UL listed, FDA registered and features Crest proprietary AutoSense™ technology, which automatically detects and connects to any healthcare-grade TV and eliminates the need to program the device.

The Elite Digital pillow speaker has superior sound quality, is easy to repair, meets infection control standards and is configured to a facility's specific requirements.

Information on upgrading to Crest Elite Digital pillow speakers is available from Ascom distributors and Crest Healthcare Supply.

###

About Crest Healthcare Supply

Crest Healthcare Supply is a leading provider of a wide range of products and technical services that enhance the care environment experienced by patients and their families and caregivers. Healthcare provider customers enjoy superior service and support to manage the complete patient environment, including nurse call systems, healthcare TVs, patient safety, mobility and comfort equipment, bed and room supplies, medical devices and general facility needs. Crest designs and produces proprietary products and partners with other manufacturers and distributors to bring innovation and quality patient outcomes in the delivery of healthcare services. Founded in 1967, Crest Healthcare Supply is based in Dassel, MN, and is ISO 9001 certified.

About Ascom

[Ascom](#) is a global solutions provider focused on healthcare ICT and mobile workflow solutions. The vision of Ascom is to close digital information gaps allowing for the best possible decisions – anytime and anywhere. Ascom’s mission is to provide mission-critical, real-time solutions for highly mobile, ad hoc, and time-sensitive environments. Ascom uses its unique product and solutions portfolio and software architecture capabilities to devise integration and mobilization solutions that provide truly smooth, complete and efficient workflows for healthcare as well as for industry, security and retail sectors. Ascom is headquartered in Baar (Switzerland), has subsidiaries in 15 countries and employs around 1,200 people worldwide. Ascom registered shares (ASCN) are listed on the SIX Swiss Exchange in Zurich.
