Kuck Elected Chairman

DASSEL, Minn., May 24, 2018— Crest Electronics, Inc., d/b/a Healthcare Supply (“Crest Healthcare) announced today that its President and CEO has been elected chairman of the Health Care Communications and Emergency Call Systems Group of the National Electronics Manufacturing Association (NEMA).

“The Healthcare Communications Group of NEMA is comprised an excellent group of quality companies. We are all dedicated to improving the health, outcomes and safety of patients and residents in our nation’s health care facilities through high quality and reliable communication technology”, said Kuck.

Kuck added that the Healthcare Communications group looks forward to continuing the growth of its membership and advocating for the creation and adoption of modern standards that assure the installation and maintenance of safe and reliable communication systems in healthcare facilities.

About NEMA

The National Electrical Manufacturers Association (NEMA) represents nearly 350 electrical equipment and medical imaging manufacturers that make safe, reliable, and efficient products and systems. NEMA’s combined industries account for 360,000 American jobs in more than 7,000 facilities covering every state. The industry represented by NEMA produces \$106 billion shipments of electrical equipment and medical imaging technologies per year with \$36 billion exports. NEMA provides a forum for the development of technical standards that are in the best interests of the industry and users, advocacy of industry policies on legislative and regulatory matters, and collection, analysis, and dissemination of industry data. In addition to its headquarters in Rosslyn, Virginia, NEMA also has offices in Beijing and Mexico City.
